MAXIMUS AIR CARGO, Abu Dhabi receives AOC in close Co-operation with SAC SWISS AVIATION CONSULTANTS, Switzerland

Abu Dhabi/Rotkreuz, Switzerland, 3 July 2007 – MAXIMUS AIR CARGO is proud to announce the receipt of its Air Operator Certificate from the UAE General Civil Aviation Authority (GCAA) for worldwide operations from its home base in Abu Dhabi. On this AOC MAXIMUS AIR CARGO operates L100-30/L382 Hercules Cargo Aircraft for which it has received the civilian Certificate of Airworthiness in accordance to CAR-OPS J Subpart K and L. So far MAXIMUS AIR CARGO had Russian built An124 and IL76 in worldwide operation and Airbus A300-600RF.

The AOC Application Process and Commercial Registration procedures of the L382 have been successfully supported and supervised by SAC SWISS AVIATION CONSULTANTS LLC. MAXIMUS AIR CARGO and SAC SWISS AVIATION CONSULTANTS will continue to work together on future mutual projects.

MAXIMUS AIR CARGO has rapidly gained a strong reputation for its 'first-class-approach' to the regions' air cargo charter market with a belief that superior customer service and outstanding reliability is what the market demands. Looking forward, MAXIMUS AIR CARGO's plans are firmly aimed at adding further all cargo aircraft to its fleet and expanding its portfolio in the aviation support services area in the near future.
